Section 8. Election of Alumnae Candidate. The secretary of the association shall mail, not less than one month before the June meeting of the Alumnae Council, to every alumna duly qualified to vote for alumnae candidate for the board of trustees of Smith College, a ballot containing the names of all alumnae duly nominated for that office, with a statement of their respective classes and qualifications. Said ballot, duly marked in the manner provided by the board of directors of the association, shall be returned to the chairman of the polling committee of the Alumnae Council before the first session of the June meeting of the council. The name of the nominee, or in the event that more than one alumnae candidate is to be elected, the names of the nominees, receiving the highest number of votes, shall be forthwith presented to the secretary of the board of trustees of Smith College.

Article XIII Amendments

These by-laws may be amended by a majority vote of the association at any meeting, provided notice of the proposed amendment be sent to each member of the association with the notice of the meeting. The secretary shall make a note in the margin opposite a by-law so amended, referring to the page of the record where such amendment appears.

Article XIV Procedure

Except as otherwise provided in these by-laws, Robert's Rules of Order shall govern the procedure of all meetings of the association, of the board of directors, of the Alumnae Council, and of all committees of those bodies.

METHODS OF PROCEDURE

(Derived from action of the Board of Directors)

Election of Officers and Directors

It is necessary, according to the by-laws which follow the Massachusetts state law for corporations, to have the officers and directors elected annually. It is the policy of the Board of Directors and of the Nominating Committee, however, to have each officer and director serve for three years (with the few exceptions necessary for any change in the size of the board), and therefore on the instructed proxy issued in May only one candidate is presented for certain offices. This policy agrees with the opinion of the Committee on Reorganization in 1917, which favored a single three-year term instead of a two-year term with the privilege of immediate re-election.

Alumnae Council Committees

Since the Alumnae Council committees emanate from an advisory body, their character is advisory only, so far as the college is concerned. When any committee desires executive action concerning the college it should present a written report to the president of the college.

Local Clubs

The membership mentioned in Article III, Section 1 d, of the council by-laws, and Article VII, Section 1 d, of the association by-laws is understood to mean "paid membership." The number of councillors to which any club is entitled for a February council meeting should be based upon the paid membership at the end of the previous fiscal year in June.

If no answer comes from a club after two calls from the chairman of the Local Clubs Committee, no report of the club shall appear in the *Register*.

The policy has been against the formation of new clubs within 60 miles of a parent club unless the older club consents, but when 25 bona fide paying members present themselves, the board approves the granting of a separate organization without reference to the parent club.

It is recommended that the president of a local club should be a member of the Alumnae Association, although not necessarily a graduate.

Article V Executive Committee

There shall be an executive committee composed of the officers of the council and the chairmen of all standing committees. This committee shall have all the powers of the council in the interim of council meetings. Seven members shall constitute a quorum.

Article X

The Alumnae Association shall bear the expenses of the board of directors and of the councillors-at-large; the expenses of the other delegates shall be met by their local associations, by their classes, or by them individually. (By amendment February, 1918.)

MINUTES OF THE MEETING OF THE ALUMNAE COUNCIL

Northampton, June 17, 1922

A meeting of the Alumnae Council was held on Saturday, June 17, at 2.15 p. m. in Room 10, Elye Hall. Mrs MacDougall presided and 87 councillors were present.

Voted: To omit the reading of the minutes of the February meeting, accepting them as printed in the *Quarterly*.

Miss Franklin announced that one of the Alumnae Fellowships (\$500) had been awarded to Virginia Conklin 22 for graduate work in psychology. A partial fellowship of \$175 has been given Marguerite McKee 20.

Miss Coolidge reported that many small gifts have been received toward financing the new work of the Appointment Bureau. No one has been engaged as field secretary as yet but the appointment will be made as soon as the money is in hand.

The treasurer, Mrs Cranshaw, reported that in accordance with the instructions of the council February, an appeal had been sent to the alumnae by the Finance Committee in order to raise \$2,500 needed for the work of the Appointment Bureau. \$650 has been received, \$500 is available in the present Alumnae Fund Appropriations account, leaving approximately \$1,400 still to be raised. Owing to the increase in dues last year, the association has a fairly large cash balance—something that is not likely to happen again! Therefore the Board of Directors recommends to the Alumnae Association that \$1,000 be appropriated from the June first cash balance to be used toward the expense of a field secretary for the Appointment Bureau.

Voted: That the council endorse this recommendation.

Miss Rochester, chairman of the Local Clubs Committee, reported that the Western Washington Club has divided and a new club is being formed at Tacoma.

Voted: That a committee be appointed by the chair to write an expression of our appreciation of the 41 years of service rendered to the college by Miss Eleanor P. Cushing. The following committee was appointed: Alice (Gale) Jones 87, Elizabeth (Ewing) Bryan 09, and Charlotte Lindley 21.

MINUTES OF THE ANNUAL MEETING OF THE ALUMNAE ASSOCIATION

Northampton, June 19, 1922

Music furnished by "our band" ushered in the alumnae who came to the annual meeting of the Alumnae Association held in the Students' Building, Monday, June 19, at 10.30 a. m. When the bass drum and its resounding thumps had been withdrawn from the balcony, the president Mrs MacDougall, opened the meeting with a few words of greeting.

Voted: To omit the reading of the minutes of the last annual meeting, accepting them as printed in the *Register*.

The secretary read her annual report which was accepted. A letter was read from Miss Hartwell, resident director of the Sophia Smith Homestead, expressing her appreciation of the housekeeping improvements made possible by the Alumnae Association.

Mrs Cranshaw, treasurer, read the annual report and the proposed changes in the 1922-23 budget as recommended by the Board of Directors. Estimated receipts were increased by \$80 and the expenses by \$655. The optimism regarding the expected income was largely due to the splendid response of the senior class of 497, who have all been enrolled as members of the Alumnae Association.

Voted: To accept the report of the treasurer and to adopt the proposed changes in the budget.

Miss Snow gave an interesting account of the work of the Alumnae Office, ending with a "extraneous bit" as she called it, an amusing story of a canny Scotchman.

Edith N. Hill reported the growth of the *Quarterly* in the past year and the addition of 408 new subscribers from the class of 1922. She spoke of the splendid results obtained in the advertising section of the *Quarterly*, thanks to Miss Snow who is in charge of that department.

The latest figures for the Smith College Fund were given by Miss Haynes. The total paid to June 1 is \$3,144,366.16, and the total pledged stands at \$4,003,196.32. Approximately 96 per cent of the pledges have been paid on time.

The report of the War Service Board was given by Miss Wolfs.

Mrs Agnes (Childs) Hinckley told of the Service Fund made up of money given in memory Mary B. Lewis 01 and Ellen (Emerson) Davenport 01. The total is now \$7,102.12.

Mrs Morrow, chairman of the Committee on a Memorial to the S. C. R. U., reported the possibility of having the Grécourt gates copied by French iron workers and brought to this country to be set up at the entrance to the campus.

Voted: That it is the sense of the meeting that the plan of the committee be approved and a production of the Grécourt gates brought to this country, if the cost should not prove to be prohibitive.

Dean Comstock outlined briefly the work carried on by the American Association of University Women, and announced the coming of a campaign to increase the membership from 15,000 to 20,000.

Miss Coolidge explained the plan of having a field secretary of the Appointment Bureau to work with the Smith alumnae in the teaching profession. The appointment of the field secretary will be made by President Neilson as soon as the necessary funds have been raised. The treasurer, Mrs Cranshaw, stated that through the appeal letter \$650 had been received toward financing this new work of the Appointment Bureau. \$25 has been received from Miss Coolidge's class and 100 stands already appropriated in the Alumnae Fund account. \$2,500 is the total needed.

Voted: To appropriate from the cash balance of June 1 \$1,000, to be used for the new work of the Appointment Bureau.

Mrs Morrow announced that the Mary A. Jordan medal for the best piece of original literary work was awarded this year to Dorothy L. Johnson of Virginia, class of 1922. She explained that the award is always to be made to a senior.

Miss Van Kleeck reported for the Alumnae Committee on the Training School. She now has an active, interested committee of 12, and they are studying the situation in order to find out what permanent place should be held by the Training School we now have.

Mrs Lucia, chairman of the Polling Committee, read the list of officers and directors elected for the year 1922-23:

President, Charlotte (Stone) MacDougall 93
Vice-president, Ruth H. French 02
Secretary, Mabel (Chick) Foss 05
Treasurer, Edith (Angell) Cranshaw 11

DIRECTORS

Alice D. Butterfield 03
Bertha (Robe) Conklin 04

Stella W. Tuthill 07

Anna P. Rochester 11
Anne (Barrows) Seelye 97
Mary (Rankin) Wardner 92
Mary A. Clapp 12
Laura (Lord) Scales 01

Miss Eleanor Bissell 97 of Pasadena was the council's nominee for the third place on the nominating committee.

Voted: That the secretary cast one ballot. Miss Bissell was declared elected.

Mrs MacDougall announced that a committee had been appointed to draw up an expression of our appreciation of the 41 years of service rendered to the college by Miss Eleanor P. Cushing, whose retirement from the Mathematics Department takes place this year. The resolutions are as follows:

Whereas: Eleanor Philbrook Cushing is severing her connection with this college after 41 years of devoted service, and its alumnae, wish to express our love for her and our appreciation of her intellectual powers and the unflinching sweetness and humility of her character;

Be it here resolved: That this expression of our feeling be spread upon the minutes and a copy sent to Miss Cushing.

ALICE GALE JONES 87
ELIZABETH EWING BRYAN 09
CHARLOTTE LINDLEY 21

The meeting then adjourned.

MABEL CHICK FOSS, *Secretary*.

REPORT OF THE PRESIDENT

June, 1922

The Alumnae Association's "Outlines of History for 1921-22" may be rather briefly given. The usual meetings of the council and directors were held in June, September, February, and April.

It was recognized that a new responsibility had come to the association with the increased alumnae representation upon the Board of Trustees granted last spring. The autumn meeting of

the directors was largely devoted to discussing means for making fuller use of the knowledge and judgment of the whole alumnae body in an effort to meet this responsibility by a wise choice of candidates for the two places on the Board of Trustees to be filled from the Alumnae Association in the spring. In a circular letter the directors urged every Smith club to discuss the subject thoroughly and to submit the names of candidates. From 33 names thus submitted, the Alumnae Council in February selected by several scattering votes six names to present to the association as candidates—three for the eight-year and three for the six-year term. A notice with these names was sent to every member of the association and on May first a ballot with these names and seventh name added by petition was sent to every member of the association in conformity with the by-laws. From these lists the two new trustees were chosen: Mary Van Kleeck 04 for eight years; Anne Chapin 04 for six years.

By request of the directors the Trustee Alumnae met with them informally at council time in February for discussion of matters of mutual interest. A similar meeting was held recently at Commencement. As a desire for future meetings has been expressed by both groups it is probable that they may become a part of the permanent program.

At the February council, at the suggestion of President Neilson, a committee of alumnae social workers was appointed to confer, if desired, with the trustees upon matters connected with the Smith College Training School for Social Workers. Miss Mary Van Kleeck accepted the chairmanship of the committee. It is now well organized with a capable membership of representative social workers who stand ready to make the results of experience in their special field available to the trustees. In June Miss Vida Francis 92 accepted the chairmanship of a similar committee of women in administrative or secretarial positions, while Miss Eunice Wead became chairman of a committee of librarians.

Under the leadership of these same chairmen informal Round Table Conferences were held during Commencement week. Questions bearing upon these three special fields of work were ably discussed by groups of workers. A round table conference on education was led by Miss Eleanor Johnson 94. The journalists met with Miss Margaret Farrand 14, and women on school boards held a meeting with Miss Cora Coolidge 92. These conferences were interesting and profitable. Requests have been received for their further development and for the addition of other groups another year.

At the urgent request of the A. A. U. W. the Alumnae Association loaned Miss Snow for the month of March to formulate a membership campaign for the A. A. U. W. Miss Snow presented this plan at the A. A. U. W. Convention in Kansas City and it was voted by the convention.

In addition to its own special meetings, the association has held intercourse with its fellow associations. By invitation of the Wellesley Association, the presidents and general secretaries of the Wellesley, Smith, Vassar, Bryn Mawr, Mount Holyoke, and Radcliffe Associations spent two delightful and most profitable days at the Wellesley Guest House in October. There was revealed a decided similarity in the problems of the six associations, with a great variety in the methods tried for solution. It was agreeable to see the respect in which the Smith Alumnae Office is held by all the general secretaries. The reorganization, by their own initiative, of the Smith Board of Trustees, which is to grant half the places on that board, as at present organized, to Smith alumnae was the subject of much favorable comment.

This association was ably represented at the A. A. U. W. Convention in Kansas City in April by Ruth French 02, Edith Hill 03, Mabel (Chick) Foss 05, Jessica (Burnham) Downing 90, Eth Ridenour 99, Alta (Zens) Vineyard 03, Margaret (Topping) Tourtellot 08, Marie (Schuster) Smith 17, Adelaide Witham 95, Dorothy Scarritt 19, and as alternates Caro (Taylor) Martin 91, and Florence Snow 04. These representatives felt great pride in claiming the skilful presiding officer of the great association, its able president Miss Comstock, as one of their number and their colleague.

The association was represented also at the New England Branch meeting of the A. A. U. W. held at Burlington in May by Ruth French 02, Mary Hagar 93, Helen Shattuck 01, Eloise (Platt) Benedict 91, Mary (Trow) Spaulding 89, Gertrude (Cahee) Chittenden 95, Helen Hoyt 20, and Mary (Hickok) Sabin 03.

It was represented by Miss Snow and Miss Hill at the meeting of Alumnae Secretaries and Editors held at the University of Illinois in May.

It is gratifying to report that there has been no unusual loss of annual members since the dues were raised last June, while there has been a notable gain in the number of life members of the association. The resulting increase in income has made possible some increase in committee and association activity and some improved office equipment. It also enables the association to face the future with well-founded confidence. The association through its Finance Committee is cooperating with the trustees by appropriating \$2,500 of the \$5,000 for the work of a field secretary for the Appointment Bureau.

By the death of Ellen (Emerson) Davenport in August the association lost not only a wise alumnae trustee and the invaluable chairman of the War Service Board, but also a rarely loved and trusted counsellor and friend, whose cheerful sympathetic help is missed in every alumnae activity.

Respectfully submitted,

CHARLOTTE (STONE) MACDOUGALL, *President*:

ALUMNAE OFFICE REPORT

June, 1922

The merry month of June may mean many things to poets and philosophers, but to a corporation on a college campus, it means inventories and balance sheets and long sessions with such unpoetical objects as profits and losses and unexpended surpluses. The latter are not of the choral variety, but are patterned out of real estate, furniture and fixtures, bank accounts, and Steel Preferred.

The Alumnae Office lens, turned on the financial balance sheet which you have heard, reveals many another asset and liability in this the forty-first year since the association's founding. On the correct side of the ledger, it shows the strengthening of the association by the addition of 13 new life members and 78 partial payment life members—attributable partly, to an increased loyalty, but mainly, we suspect, to a thrifty sense which appreciates a bargain.

We have been able this year to purchase some much needed office equipment. One trusty contrivance, known familiarly as Fanny the Folder, diligently folds our stacks of printed material at the rate of 8,000 an hour, and saves much time and labor. With 500 brand new alumnae joining our ranks, we have out grown our old Addressograph cabinet, and are also about to rejoice over the possession of an almost noiseless addressing machine, which will run off our list of 9,500 names without driving to distraction the Registrar below, the President down the hall, and the *Quarterly* editor at its elbow.

To our assets has been added also a print of the Commencement film taken in June, 1921, and routed this winter through a number of the Smith clubs. With this film lately has been shown a short reel from the Sophomore Carnival of January, 1922.

To return to the balance sheet; much of the large item for postage has been spent in tracing addresses—current liabilities that are always with us. We dare not trust the post office messages, and verify every bit of indirect information. One of our heaviest liabilities, by the way, is the rumor which comes, both indirectly and directly that communications from the office are *never* read.—We listen anxiously for "1776" and its reassuring "hardly ever."—We hereby enter a plea of the curiosity which all such indifferent recipients must possess in some degree. They might—quite probably might—miss something really valuable by this procedure, not a sugar-coated appeal for money, but a pearl of price, and we warn them that waste baskets give up no secrets.

Much of the postage has been pleasantly expended in answering correspondence, which needs ready attention or it piles up to great volume. The morning mail contains a variety of matter, perhaps a letter from a person named Smith in search of Sophia's genealogy or from an unusual alumna who, in spite of four children, has written her first novel between times, and wants to know what to do with it.

Again among the expenses, there is an extremely large item for traveling expenses, but it is related closely to the assets when we realize that it represents the attendance of directors and committees upon very necessary and progressive alumnae business, and also the contact of our association with the outside college world through the conferences of Association presidents and secretaries at Wellesley, of the A. A. U. W. at Kansas City and Burlington, Vermont, and the Alumni Magazines Associated and the Alumni Secretaries at the University of Illinois. At the latter meeting the "master minds" of Cornell, Lehigh, Vassar, Ohio State, Wellesley, the University of Wisconsin, and some 45 other institutions, debated weighty questions of college publicity, fund-raising, the responsiveness of alumni trustees to the alumni body, and so on. It is profitable pause in the day's occupation of being an alumna, and cogitate upon the height and depth of this great alumna movement which is becoming so powerful, its number swelled each June by the graduation of some 30 or 40 thousand men and women students. Mr. Shaw, alumni secretary of the University of Michigan, a pioneer in the guild, has an article in the current *Scribner's*, in which he says:

... this relationship of the graduate to his alma mater is an expression of the two sides of the American genius—its idealism, its sentiment, if you will,—and its ability for organization. . . . For the most part, as we view it today, the alumni support of our universities has been not only progressive but intelligent. It has brought new current to many a university backwater. In return we know that the campus, with its idealism and devotion to truth wherever it may be found, has not been without its wholesome stimulus to those who, having passed its portals, have returned for more for renewed inspiration. . . . What this force will become in the future, time only can tell. All we can say is that the alumni have already become active partners in the affairs of the universities, and they promise to be more active in the future.

This brings us again to our balance sheet and the greatest liability of all, the limitations of a twenty-four hour day in which the pressure of detailed work tries to crowd out that daily leisure period for forward-looking deliberation which they say even a so-called executive should have. And the need is obvious for those abilities with which to further the ideal alumna program, making Smith College the best as it is the largest women's alumnae organization in the world. But there remains the surplus, the excess of our blessing over our problems, typifying the great reserve power of our association, 7,000 strong, which can be relied on to accomplish more wonders than four million. By the time of Smith's 50th anniversary in 1925, who can say what strides we shall have made?

This is the end of my report, but I have been asked to add a piece of perfectly extraneous material which has nothing to do with Smith College or with the alumnae, except that it is one of John Doleman's latest stories. Some of you have already heard it, and these will please pardon my repetition,—all others the faulty imitation of John's matchless style.

Sandy and his wife Margaret desired to go up in an airplane. They approached the pilot and asked the price. "20.00," said he. "We're not wanting to buy the ship," said Sandy. "Well," said the pilot, "that's my price, but I'll tell you what I'll do. I'll take you up for nothing, but if either of you speaks a single word, it will cost you \$20.00." They went up, and the pilot put them through nose dives, and tail spins, and looped the loop. As they landed, he said to Sandy: "Well, that was remarkable. You never said a word, did you?" "No," replied Sandy, "but I came verra near it, when Maggie fell out."

FLORENCE H. SNOW, *General Secretary*.

REPORT OF THE ALUMNAE QUARTERLY

June, 1922

For the thirteenth June the *Quarterly* Board submits the three numbers of the current year the major part of its report. In cold type they represent 348 pages of which 65 are advertise-

ments and 283 text. The editors have nothing to do with the advertisements and therefore we can say quite frankly that we are unqualifiedly proud of the fine department Miss Snow has made. In the text, which is our concern, there are nearly 100 articles of varying lengths about Smith College, other colleges, various educational problems and experiments, alumnae jobs and interests both at home and all around the world, and two thousand three hundred and fifty notes about individual alumnae. There are, moreover, a larger number of pictures than we have published in any previous year. A new process known as the Weeks Electrical Etching process is making it possible to print pictures on book paper, and although the results are not perfect as yet we are so sure that pictures add much to the enjoyment of the magazine that we shall continue to give you as many as practical and as our budget will allow. Contemplation of our budget is not so depressing as in the pioneer days and each year sees a very substantial increase in our subscription list. Counting the 408 new subscriptions from the Class of 1922, a phenomenal per cent by the way we are very close to the 6,000 mark. Members of reuning classes can find in their headquarters records of their own classes. Need we say more by way of a hint? We should like to say that so far as we know there is no other body of alumnae that subscribes so generally to its publication as does ours, and for that we are grateful but still unsatisfied.

The problems of the editors are the same as they were in the very beginning of things. The first is to make a magazine that shall so adequately supply constructive information about education, alumnae, and the college that the tie that binds Smith women to each other, to the college and to the service of the world may grow ever more strong and satisfying. To this end we bespeak your cooperation in furnishing us articles, notes, and suggestions. People say to us, "What kind of articles do you want?" We can only answer, "We want the kind of articles you want to read." And when you consider that you number some thousands of independent thinkers, you see we are optimists, you can see that the educational world, the professional world, the homekeeping world, the missionary world, the social world, are yours to talk about.

The second problem is: how shall we get people to read their *Quarterlies* after they get them? O yes, some of you do, we know, but very many of you do not. We can tell by the questions you ask. And so to-day to parody the apostle James, we are beseeching readers of the word and not takers only. There are in the successive *Quarterlies*, we hope and believe, some words of interest to everyone—be she teacher, housewife, professional woman, or social light. Unless we are failing miserably in our attempt to portray the work of the alumnae and chronicle the activities and policies of the growing Smith College, growing in grace and not in numbers, we greatly hope, there is no reason in the world why any alumna should be uninformed about anything pertaining to the college, for by the sweat of our brows and by the prodding of the printer, we have put Smith College before you. Therefore, we beseech you to know what is in your *Quarterlies*. Be not, we beg of you, like the little girl who on being asked if she knew what was in her Bible, answered, "O, yes, sir, I know everything that is in the Bible. There is my baby curl, and Ma's best recipe for plum pudding, and Pa's spectacles, and the picture of sister's latest beau."

SUMMARIZED REPORTS

June, 1922

The Alumnae Trustees

Since the report rendered to the Alumnae Association by the Alumnae Trustees in June, 1921 there have been several changes in the Board of Trustees. Prof. Arthur L. Gillett of Hartford and Rt. Rev. Thomas F. Davies of Springfield have resigned. Dr. John A. Houston of Northampton and Mr. George K. Stevenson of Hartford have been elected to fill these vacancies. The death of Ellen Emerson Davenport meant an irreparable loss to the Board as well as to all alumnae. The remainder of her term has been filled by Helen Rand Thayer 1884.

The Alumnae Trustees are serving on the following committees: Executive Committee Mrs. Morrow; Committee on Gifts and Endowments, Miss Greene; Committee on College Houses, Miss Greene, Mrs. Morrow, Mrs. Thayer; Committee on Buildings and Grounds, Mrs. Morrow; Committee on Memorials, Miss Greene.

A move has been made in the direction of securing closer affiliation of trustees and faculty by inviting Dean Comstock to sit with the trustees at all their meetings.

Nina E. Browne 82 has been appointed College Archivist.

It is with great satisfaction that the Alumnae Trustees report that the board has voted to make an annual contribution of \$500 to the International Federation of University Women.

A move forward in the matter of securing desirable publicity has been made by the appointment of Margaret Farrand 14 to the work of publicity agent.

The college has been most fortunate in securing the services of Miss Elsie Leonard to succeed Mrs. Darling as purchasing agent and dietitian, ill health having made it impossible for Mrs. Darling to continue her work. Miss Leonard's work has already shown what can be accomplished in the matter of further efficiency in the practical running of the college houses. The installation of a satisfactory system is most important at this time as the number of dormitories is to be largely increased. The Alumnae Trustees, acting as a committee on college houses, have held several meetings with Dean Comstock, at which the possibility of securing greater uniformity in living conditions in the college houses has been thoroughly discussed. We hope that this most desirable but difficult result is in a fair way to be achieved.

The Committee on Houses has also been greatly interested in plans for the new officer of the college, the warden, who is to reside in Ellen Emerson House, the central dormitory of the group now being built. The warden will be responsible for the hospitality of the college, will have general charge of the heads of houses, of assignment of rooms, and of off-campus houses. She will

after social activities and chaperonage. Laura Lord Scales 01 has been appointed to this place. No small element in the satisfaction of the Alumnae Trustees in this appointment is the fact which this new division of labor will bring to Dean Comstock, whom it is the aim of all alumnae to keep in the service of Smith College.

The plan for a field secretary to work with the Appointment Bureau on the placing of teachers, and a secretary to be jointly financed by the alumnae and the Board of Trustees, has been approved by the board as an experiment for one year, and \$2,500 has been appropriated as the trustees' share of the experiment.

The trustees have under consideration, through a committee consisting of alumnae, faculty, and trustees, Prof. Kimball's very interesting plan for the use of the college plant in summer for vocational courses such as secretarial courses, library courses, courses in domestic science, courses to train executive secretaries and to equip research assistants. The proposed plan contemplates offering these courses, to be called training schools, to students at the end of their sophomore year. A student takes three summer sessions she might be given a degree, similar, perhaps, to that given by Simmons College. In whatever form this plan may ultimately be developed, it is obvious that the possibility of securing vocational training at the same time with a four-year college course would be of great value to many students.

The alumnae of Smith College have a right to feel that through their representatives on the board they have used such influence as was theirs in helping to foster the movement toward world peace. At the meeting of the trustees in October, 1921, it was

"Voted: That the Board of Trustees of Smith College send to the President of the United States and to the representatives of the United States at the approaching Conference on Limitation of Armaments an expression of their earnest hope that nothing shall remain undone on the part of America which may aid in reducing the burden of armaments, extending mutual understanding among nations, and establishing permanent peace.

"The members of the board make this communication as the legal representatives of an institution for women which bore an honorable part in the war which it was hoped might end war. Throughout that period of the struggle in which America was engaged, the members of the college labored in many ways for the aid and comfort of the American soldiers, and the graduates of the college organized a Relief Unit for reconstruction in France which was the first of such units in the field, and which continued its labors down to the present year. They, therefore, feel that, both as citizens and as co-workers with the Government for the victory which has made the present opportunity possible, the institution which is entrusted to their care is justified in registering its earnest desire that this opportunity of attaining some of the most important of the ends for which the war was fought may not be lost."

The Alumnae Trustees are the official representatives of the Alumnae Association on the board, but the alumnae whom they represent have never fully used these representatives. A move in the interests of efficiency toward a closer relation between the alumnae and the Alumnae Trustees was made by the officers of the Alumnae Association in February, when the directors of the association and the Alumnae Trustees came into informal conference. If the Alumnae Trustees are really to represent their constituency this movement for closer affiliation must go steadily forward.

HELEN RAND THAYER 84,
Senior Alumnae Trustee.

The American Association of University Women

The first annual convention of the A. A. U. W. was held in Kansas City, Missouri, from April 12-14. Those who represented the Smith Alumnae Association as delegates were Ruth French 02, Edith Hill 03, Mrs James Foss 05, Mrs John Downing 90, Ethel Ridenour 99, Mrs Jesse Vineyard 08, Mrs George Tourtellot 08, Mrs Richard Smith 17, Adelaide Witham 95, Dorothy Scarritt 19, and alternates, Mrs Orville Martin 91, and Florence Snow 04.

Among the topics discussed were the National Club House at Washington, D. C., membership, and internationalism. A plan for increasing the membership from 15,000 to 50,000 was presented by Florence Snow, who, at the request of the Board of Directors, had spent a month in making a survey of the field. It was finally voted that the campaign should be undertaken to secure 50,000 members, and that the Board of Directors should be authorized to expend \$10,000 this year and an additional \$15,000 if in their opinion such additional expenditure was justified.

The May 1922 number of the *Quarterly* contains a full account of the convention. At the conference of the New England Division of the A. A. U. W., held at the University of Vermont May 18-19, the Alumnae Association was represented by Ruth French 02, Mary Hagar Helen Shattuck 01, Mrs Edward Benedict 91, Mrs Frank Spaulding 89, Mrs Merritt Chittenden Helen Hoyt 20, and Mrs George Sabin 03. The speeches and conferences centered upon the following topics: The coming International Conference in Paris, the place of the A. A. U. W. in politics and legislation, its state organization, local membership, branch programs, and national policies, and, in general, educational innovations, the political status of China, and the press.

MABEL CHICK FOSS 05.

The Sophia Smith Homestead

The Homestead has been open to visitors continuously since last August, with Miss Helen Hartwell as the resident in charge. It has been the most successful year of its history, and the alumnae, the undergraduates, and their friends have greatly enjoyed Miss Hartwell's gracious hospitality and her delicious and bountiful repasts. The Homestead has now reached an age—

under the association's ownership—when certain renewals and repairs have become necessary. This year several pairs of curtains and new bathroom rugs have been purchased, and new side steps have been built. The chimneys have been cleaned and screened to keep out birds and flies. There are also some improvements to report. The unsightly chicken coop has been removed. A set tub has been put in the kitchen. An entry has been built on to the kitchen to house the refrigerator. The house is to be painted this summer. A new sign has been hung on the Hatfield road to guide returning alumnae, and upon arriving they will find—in a prominent position—a gratuity box which it is fondly hoped they will fill with donations, as the Homestead brings in no revenue to the Alumnae Association but is dependent entirely on the appropriation from the association's treasury and the gifts of its friends for its maintenance.

FLORENCE BANNARD ADAMS 05,
Chairman of the House Committee.

Intercollegiate Community Service Association Smith Alumnae Chapter

During the past year Miss Elizabeth Kemper Adams has made an exhaustive study of the chapters of the association, both alumnae and undergraduate, as well as of the three college settlements; this was done with the purpose of reorganizing if it were found necessary or advisable. On this account no active program has been undertaken in our chapter other than the collection of the annual dues, which we must have to carry on the program of the association; we are still bound to continue our support of our college settlements.

The joint fellowship with the Smith Alumnae Association has been held this year by Florence Gary 21, who has been located at the New York College Settlement.

Alumnae Publications

The Alumnae Collection continues to grow, but it needs the fuller cooperation of the alumnae who are writing. The card catalog now includes many titles which are not represented in the collection, and eventually will contain all that are known to the compiler.

The secretary of each reuniting class was asked to help in this work so far as it pertained to her own class, and after the reunions are over, large additions to the collection are expected.

NINA E. BROWNE 82,
Collector.

Report of the Committee on a Personal Tribute to Miss Jordan

The committee sent out a letter to all the alumnae offering an opportunity for one dollar subscriptions to a fund with the interest of which a yearly prize in Miss Jordan's name was to be presented to the writer of the most original piece of literary work offered by an undergraduate.

It was at first the intention of the committee that this prize should consist of a bronze medal struck from the portrait medallion made of Miss Jordan by Alice Morgan Wright together with a gift of money, but Miss Wright eagerly contributed her services, and the cost of reproducing the medals proved to be small, so that the committee decided to confine the prize to a medal, and give the balance of the money to Miss Jordan, to be used at her discretion.

The committee received \$3,528.53. After striking off ten medals and leaving a sum of interest sufficiently large to supply a yearly medal, the sum of \$3,000 was sent to Miss Jordan in twenty dollar gold pieces, fitted into an especially made chamois bag, as a personal tribute of love and devotion from the alumnae.

The inscription on the back of the medal is the following:

The Alumnae of Smith College

work of her class, in memory of
Mary Augusta Jordan
whose thirty-seven years of
eager service in discovering and

Fee \$1.00 Meetings: annual as stipulated.*

The purposes of the club are to interest girls in going to college, to further the well-being of college, and to promote acquaintance among the members. In order to interest girls in going with we gave a "wiener roast" at the home of one of our members, having the college-prepory girls of the city as our guests. A take-off on a day at college was presented, and a good of enthusiasm for Smith was aroused among the girls. Further to interest girls in Smith we obtained from Smith a scholarship of \$100 to be given to a girl from this section. To further ell-being of the college we gave a rummage sale at which we raised \$40. This was sent to 1,000,000 Fund. At the March meeting at the home of Mrs Morton our councillor, Brödel, gave her report of the council meeting in February. A Sunday tea, with Smith sub- nen as guests, was held in April at Miss Rusk's. In April our club was invited to the College to hear Mrs Edgerton Parsons. Mrs Lilly was one of the hostesses. At the May meeting s Lilly's the annual meeting reports of the secretary and treasurer were read and accepted. er was read from Miss Myrtle Fish, the recipient of the scholarship for the Training School. otion was made and seconded that all club members earn \$1.00 or more for the Scholarship for next year. The club has 30 paying members.

Berkshire County

Fee \$0.50 Meetings: annual as stipulated, others at call of executive committee.

The club has held two meetings this year. The fall meeting was held at the home of Mrs Gallup in North Adams on October 29 with 23 members present. At this meeting the club \$15 from the treasury for Graduate Work. During the year \$220 was raised for scholar- Two bridge parties were given: one in Williamstown, one in Pittsfield. The North Adams vers sold candy, and the members from Lee contributed. We have given half-scholarships o each to two girls this year and have voted to assist three, next year. In April Miss Ruth er gave a recital in Pittsfield under the auspices of the club for the benefit of the \$4,000,000 at which \$210 was cleared. The annual business meeting and luncheon was held on May the Country Club of Pittsfield with 24 members present. The club voted \$10 for Ginling ge. Miss Suzan Benedict and Miss Susan Rambo were our guests at luncheon, after which Benedict spoke to us about college.

s phrase means that the annual meeting is held "after April first and before June first."

Boston

Fee \$1.00 Meetings: annual as stipulated, others at call of board of managers.

During the past year the Boston Association has had a picnic, a gentleman's night, a matinee at the Copley Theatre, a luncheon, two regular meetings and the annual business meeting combined with a program of vocational speakers. The picnic was held in the garden of Mrs. J. Platner's home in Cambridge and included a one-act play given in the barn. On Gentleman's Night, November 4 at the Hotel Somerset, the speaker was Judge George W. Anderson of the United States Circuit Court. A large number greeted Mr Kimball when he came to the College Club in January to tell us the latest college news. At this meeting a ballot was taken selecting six out of seventeen names suggested as Boston's candidates for nomination as alumnae trustees. Another successful and well attended meeting was held at the Brimmer School in March. Dancers were the invited guests. Films showing Commencement features and the Sophomore Carnival were given, and Miss Eleanor Miller, president of Student Council, was our speaker. About 410 were present at the annual luncheon at the Hotel Somerset, April 15, when we were especially honored by having both President Seelye and President Neilson as well as Attorney General J. Weston Allen as our guests of honor. During the year we have continued the plan of appointing a hostess for each meeting. There is a paid membership of 536.

Bridgeport

Fee \$1.00 Meetings: annual as stipulated, at least three others at call of executive committee.

Four regular meetings were held during the year. The fall meeting was held October 1, at the winter meeting, January 26, we were happy to have Miss Julia Caverno with us as speaker. Mrs Rachel Axtell Jepson 15 gave the councillor's report at a meeting held in March. Our annual meeting was a picnic at Sally Wilmot's in Monroe. In order to make good our pledge, we held two rummage sales, fall and spring, and made \$259.81. In November, 1921 piano recital by Bruce Simonds was given under the auspices of the Mt Holyoke, Simmons, Vassar, Wellesley, and Smith Clubs. Each club received \$93.68. The Eskay-Harris moving picture "The Wizard of Oz," and the 1921 Commencement film were shown in March. Steinert & Company gave us a percentage on the tickets we sold for a concert given by Mabel Garrison Reinald Werrenrath. On May 20 a very successful garden party was given by the Mt Holyoke, Simmons, Smith, and Wellesley Clubs.

Brooklyn

Fee \$1.00 Evening Meetings the first Monday of each month.

The club is not regularly affiliated with the Alumnae Association. All of its members are members of the New York Club and for this reason our organization is maintained merely closer personal contact with one another rather than as a unit of the Alumnae Association. We have held four evening meetings during the year with several executive committee meetings in addition. Florence Snow came down to talk to us at our March meeting on various interesting phases of present college life. We now plan several big events for the fall. Among them is participation in "The Streets of Wonderland," a large bazaar conducted by all the clubs and service organizations of Brooklyn for their mutual benefit. This will occur on November 3 at the

Buffalo

Fee \$2.00 Meetings: monthly.

The club has met eight times during the past year. There have been four regular luncheon and two afternoon meetings at which interesting plays have been read and tea has been served. The club had the pleasure of entertaining Miss Comstock at luncheon in November and the graduates, living in or near Buffalo, in March. The present paid membership is 83 but the total number of members is 101. Two members have moved from Buffalo during the year. The club has joined the New York State Branch of the American Association of University Women. There have been three enterprises to raise money for the \$4,000,000 Fund: Anna Pavlova and Russian Ballet in November in conjunction with the Buffalo Wellesley Club and with Mu Arts; a rummage sale in April; and a bridge party in May. In addition to the \$1,075 the club cleared for the Fund, it has given \$125 to the Vassar Club for its Salary Endowment Fund, to Gining College, and \$25 towards the establishment of a field secretary for the Appointing Bureau.

Cambridge

Fee \$1.00 Meetings: annual as stipulated.

The club came into being on Monday, February 6, at a meeting called for the purpose of organizing. There being about 100 Smith alumnae in Cambridge who had worked together as a unit to help raise our quota of the Fund, it seemed a pity to drop the organization, even though several of the alumnae belonged to the Boston Club. There are now 48 paid up members. Attendance at the three meetings this year has averaged 21. We hope to prove of some service to the floating population of Smith alumnae brought here by Radcliffe. Our programs have been popular, one group of college songs sung by an alumnae of the eighties, the Smith Quiz, and a vivid report of our councillor's experiences and impressions at the council meeting at Northampton in February.

Central Illinois

Fee \$1.00 Meetings: annual as stipulated, at least one other at call of executive committee.

The club has had a meeting January 7 in Peoria at which time it was voted that we send \$10 to Council Committee on Education to aid in giving scholarships for graduate work. We also gave a letter urging the candidacy of Mrs Spencer Ewing 96 for alumnae trustee. Emily (Hix) gave a delightful account of 1921 Commencement. The annual spring meeting was held in Lincoln. Florence Smith gave a most enthusiastic report of the council meeting in February. We were very fortunate in having Miss Florence Snow with us, who told us about the Day Smith College, and Miss Edith Hill, who explained the *Quarterly* in a very delightful manner. She expressed the *Quarterly* as "all things for all people and all in 92 pages." Our club is slowly growing and we hope to have many new members by our next meeting.

Chicago

Fee \$1.50 Meetings: four regular ones and others at call of executive committee.

The club has held four regular meetings during this past year. The first meeting was in late December when after the business meeting we saw the moving pictures of the 1921 Commencement at the Sophia Smith stunt, also from Commencement. The annual Christmas luncheon was at the Chicago Athletic Club. President Neilson was the guest of honor and the club turned out never before to hear his most interesting talk on the latest developments and plans of the year. On April 5 the spring meeting was held at the Chicago College Club. The program was given by our own members. Miss Edna Foley spoke on The World from the Eyes of a Visiting Nurse, Miss Margaret Perkins on her work in Serbia, showing some very interesting snapshots taken, and Miss Stella Tuthill on Smith All Over the World as she had seen it in her recent travels. Mrs Edna Richolson Sollitt and Mrs Arthur Betts also gave a delightful musical program. The club was most graciously entertained by Mrs Charles Schweppe at her beautiful estate in Forest. The day was heavenly and the club turned out *en masse*. The annual business meeting followed a delicious luncheon served on the terrace and then Mrs Herbert Bradley took us to the heart of Africa with her while she told us of her experiences hunting gorillas with Dr Carl Hensley. Her talk was truly delightful and thrilling.

China

Fee \$1.00 Meetings: annual only.

Cincinnati

Fee \$1.00 Meets at least three times a year.

The club has had a very good year with a growing membership of active workers, due in large part to the stimulus given by work for the Fund, for which we gave a series of three moving pictures to children on successive Saturdays the last part of November and the first of December. The proceeds from these pictures was \$1,409.72 but sufficient money was taken from the treasury to bring the sum up to \$1,500. Five meetings were held during the year, three in connection with the afternoon town clubs, one at the home of Mrs E. J. Wohlgenuth (Stella Goss 02), and one in connection with a picnic. Our meeting during the spring vacation was made very interesting by the presence of undergraduates. Three of the girls gave talks describing conditions in college life. Our membership list contains 54 names of which number 41 have paid their dues. Regular attendance at meetings has been about 25. Next year we are planning to give another entertainment for children as our efforts in that direction last winter met with such success. A special effort also will be made to interest actively every member on our list in the work of the Fund.

Cleveland

Fee \$1.00 Meetings: annual as stipulated, Christmas luncheon and others at call of executive committee

Colorado

Fee \$1.00 Meets at least twice a year.

The club has been called together only twice this year. Last fall we met to elect officers. We met and put on the "Alice in Wonderland" film at one of our theatres for the benefit of the Fund.

Columbus

Fee \$1.00 Meetings: annual as stipulated and Christmas luncheon.

Detroit

Fee \$1.00 Meetings: monthly, on Saturday noons.

The members of the club have spent the year endeavoring to meet their pledge to the Fund. We met once a month for Saturday luncheons and discussed plays, lectures, movies, food book sales, and rummage sales and after due consideration have fastened on the old standard: olipex, Christmas cards, and bridge as being the most certain to bring results with the least failure. With our last bridge early in June we expect to complete our pledge. As a sum-

mer pastime we have decided to use the Invest-a-Dollar plan to raise money to be given in the to Ginling through the fund for the Union Christian Colleges for Oriental Women. We hope reports on how the dollars have grown which are to be given at our first meeting next year arouse enough enthusiasm to last through the year.

Eastern Connecticut

Fee \$1.00 Meetings: annual as stipulated, others at call of Executive committee.

The club has met four times. We have held two business meetings, one in October and annual meeting in April. We have held two informal sewing parties and conducted one subscription bridge whist in New London and one in Norwich. We have stimulated interest in the by reading Smith news at each meeting. We have given a \$10 prize for scholarship in the schools of New London, Norwich, and Willimantic to promote Smith spirit. We have a membership of 25 and have added 14 honorary members, the mothers and sisters of alumnae in the district.

Eastern New York

Fee \$1.00 Meetings: May and October.

The club has held two regular meetings during the year. Azalia Peet 10 was present at October meeting, held in Troy, and told us about her work in Japan. The spring meeting held at Mt McGregor and Miss Helen Wright of the Appointment Bureau gave us a talk on lege and Northampton Life. Our efforts this year have been directed toward raising money for scholarship fund. Albany Section earned \$75 by making nightgowns, and by giving a better movie performance. Schenectady Section had Walter Camp give a lecture and they contributed \$75. Troy had two card parties which earned \$50. Glens Falls' contribution was \$25. At spring meeting we voted to give \$100 annually for an undergraduate scholarship, to be awarded a student of good standing, preferably from Eastern New York. The remaining \$125 was to the unrestricted fund, used by Miss Annetta Clark to meet emergencies. The paid membership of the club is 116.

Fitchburg

Fee \$1.00 Meetings: annual in May, one in October, and at least one other.

The club has held seven meetings, two of which were large picnics. At three meetings members gave delightful talks. At one meeting the Smith undergraduates from our vicinity were guests. Our membership is 48, drawn from 10 towns and cities. Three funds have received united interest and financial aid; the Smith-Ginling, the Lewis-Emerson, and Devastated France. To the Smith Training School we have contributed part of a scholarship. Our scholarship fund was again increased by a concert given by the Harvard Glee Club, Irene Williams assisting. The concert proved also an artistic success. Our special interest at present is of course the establishment of a field worker for the Appointment Bureau at college and to it we have pledged our aid. We are renewing our subscription to the *Weekly* and will again send it the rounds of three high schools. The outstanding events being first recorded in a "Jottings Book." As individuals many of our members have answered the Students' Aid Society's appeal for more members.

Franklin County

Fee \$1.00 Annual meeting second Saturday in May, others at call of executive committee.

Since the annual meeting held at the Mansion House on April 23, 1921, the club has held three meetings. This meeting at the home of the president was attended by nine members only plans for raising money was the principal topic. A food sale, planned by Miss Titcomb and Davenport, was held at Miss Davenport's home on May 11, 1921. The proceeds of this sale were given to the club. There have been two successful rummage sales, one at Washington Hall on May 21, 1921, and one at the Mansion House Sample Room on April 29, 1922. The executive committee has been active throughout the winter and is to be congratulated upon its good work.

Gloucester

Fee \$1.50 Meetings: annual as stipulated, others at call of executive committee.

Hampshire County

Fee \$1.00 Meetings: annual as stipulated, others at call of executive committee.

The club was organized May 26, 1920. At its second meeting, two days later, it was voted to pledge toward the Fund \$10,000 to be raised during the next four years. Owing to the efficient management of two members of the class of 1904, Alice (Barrett) Heeran and Annetta C. chairmen of the Entertainment Committee, about \$6,000 has now been raised and plans are now for another entertainment in October. During the two years since the club was formed there have been five meetings, three of which have been followed by afternoon tea, with President Seelye, Mr Tyler, President and Mrs Neilson as guests.

Hartford

Fee \$1.00 Meetings: annual as stipulated, others usually monthly from October to May.

There have been eight regular meetings, three of which were in the interests of the college. In December our members discussed Does Smith Fit Its Students for Life After College? from the viewpoints of home-maker, teacher, and business woman. At our luncheon in January Miss Cutler and Miss Benedict were our guests, speaking on college affairs. Our councillors, Miss Stone and Miss Alford, presented at the March meeting excellent reports of the Alumnae Council. We have had a travel talk and two large invitation affairs, one a delightful evening with President Neilson in his own field of poetic literature, and the other our annual amateur play. Music has been a feature of the year, with performances of a high order by our members. For the annual meeting a quartet of former glee club girls was organized. The Fund quota has been considerably diminished by special pledges, a subscription bridge which netted \$450, and by commissions on sales of soap, beads, and brushes. The club has given \$100 this year to various causes: the Fund for Graduate Work, the Students' Aid Society, and the Smith-Ginling Fund.

Holyoke

Fee \$1.00

Indiana

Fee \$1.00 (\$0.50 for out of town members) Meetings: annual as stipulated, others at call of executive committee.

The club has held five meetings during the year. We had a rummage sale in February which netted \$295. We were thus enabled to pay \$500 to the Fund, leaving us only \$100 more to raise for our quota.

Japan

Fee \$0.10 Meets only annually.

Kansas City

Fee \$1.00 Meetings: first Monday in every month from September to May.

Even after two years of ardent service the club, 38 members strong, is traveling on with the \$100,000 Fund ever before it, like the Highlander's fiery cross. This year our answer to the challenge is taken the very concrete form of a circulating library and a series of bridge parties. The "Book Shop," as the library is called, was started the first of November, 1921, with an initial indebtedness of \$320. In the five months of its career it has earned enough to pay back this \$320 and cleared \$150 besides. The library has 250 members. At present the library contains 300 books, cumulated through gifts, and after an initial expenditure, through a monthly purchase amounting to at least \$25. The daily circulation averages close to 90 books. In an effort to advertise the library and also to add to our funds, we inaugurated a series of bridge parties, one to be held every two weeks in the Community Hall next door to our Book Shop. So far we have had nine parties, averaging \$20 each time and clearing in all \$400. At these parties we have a table charge of \$4.00 and furnish for that fee a light tea, candy, and four prizes, the fourth a membership in the Book Shop. One rummage sale during the fall added \$65 to our treasury. And we are constantly getting in small sums, realized from the sale of stationery. From the continued gains of all our enterprises, we are confident of paying our yearly Fund quota in full and also of paying a small deficit remaining on our last year's quota. And we have accomplished all this "without worrying and wearying the public with the continual demand to buy tickets," thus fulfilling the prophecy made by our secretary in her report for last year.

Lynn

Fee \$1.00 Meetings: last Monday of every month from September through May.

The club has held its regular meetings the last Monday of every month since September 1921, with the exception of the December meeting which was omitted by vote. The club is still working to complete the Lynn quota for the Fund. In October 1921, a rummage sale was held which netted \$790.30. No other especial endeavor was made to raise money, as the club anticipates another rummage sale next fall, the proceeds of which, it is hoped, will fulfill the pledge of the club.

Maine

Fee \$0.50 Meetings: annual as stipulated.

Melrose

Fee \$1.00 Meetings: annual as stipulated, at least one other at call of executive committee.

Merrimac Valley

Fee \$1.00 Meetings: twice a year.

The club held its two regular meetings this year. The June meeting was combined with a picnic at a very delightful farmhouse in Georgetown. In December our president entertained the members at luncheon at her home in Haverhill. Our work has progressed smoothly. The New-

buryport members received more than the balance of their Fund pledge from a lecture by Thornton Burgess where there was a large and fascinated audience of children and "grown-down" children. The Haverhill members are well on their way towards completing their pledge this next year.

Minneapolis

Fee \$1.00 Meetings: annual as stipulated, two others at call of executive committee.

The club has held three regular meetings during the year; the October and April meetings at the home of Miss Ruth Phelps, the president, after which the members remained for tea. The Christmas meeting, held jointly with the St Paul Club, on December 30, was a luncheon at the Hotel Radisson with President Neilson as the guest of honor. He spoke with his unfailing charm, giving us news of the college and outlining the new plan for handling exceptional students. Mrs Franklin M. Crosby gave a tea in honor of President Neilson to alumnae and friends of the college. The Committee on Activities, under the admirable chairmanship of Mrs Angus Morrison, arranged to show the Eskay-Harris film of "The Wizard of Oz," preceded by the Smith College Commencement picture of 1921, and cleared \$500 for the club's scholarship fund.

Nebraska

Fee \$1.00 Meetings: third Thursday in every month.

The club has held monthly meetings at the homes of its members. At the November meeting, the club voted to take up sewing for charity, and at all following meetings the time has been spent in sewing for the Salvation Army Rescue Home. The club is now planning its annual June luncheon, the purpose of which is to welcome into the club the new graduates and the girls now attending Smith, and to meet and entertain prospective Smith girls.

New Hampshire

Fee \$1.00 Meetings: annual as stipulated, at least one other at call of executive committee.

The annual meeting of the club was held on Saturday, April 29, at the Woman's Club Building Concord. Immediately after luncheon Miss Mabel Gillespie, Secretary of the Boston Women's Trade Union League, gave a most interesting talk on her work at the Bryn Mawr Summer School for Women Workers in Industry. She spoke of the purpose and aim of the school and describe the actual working out of the experiment during the first summer. Miss Gillespie also touched briefly on the textile strike situation in New Hampshire. Mrs Clough and Mrs Bennett reported on the Alumnae Council Meeting at Northampton in February. It was voted to give \$50 from the club treasury, to the Fund. On suggestion of the members from Dover, plans were made to hold a July meeting in that city.

New Haven

Fee \$1.00 Meetings: October and May at call of executive committee.

The club held five meetings during the year, not counting several informal gatherings where we met to sew for a food and apron sale which we gave in December and which netted nearly \$50. We hope to increase this amount by future efforts until we have enough for a scholarship. The dinner at the Business and Professional Woman's Club brought out an attendance of 65. The Rhode Island Club's clever questionnaire furnished the after-dinner entertainment, the odd and even classes lining up after the manner of an old-fashioned spelling-match. We invited the mothers of New Haven girls now in college and about 50 prospective Smith students to see the moving pictures of Commencement and the Sophomore Ice Carnival. The beautiful film of the Constantinople Woman's College was shown at the same meeting and Helen McAfee told us something of the work that institution has done and is planning to do. At another meeting Elizabeth Whitney gave an interesting talk on the Smith Students' Aid Society and at our annual meeting we had the pleasure of hearing Miss Margaret Farrand who told us about the Committee on Special Assistance in English and the Press Board. In addition to its own activities our club has taken prominent part in the local A. A. U. W. Two of its regular meetings were held in Smith home and members of the club were hostesses at a large meeting in Centre Church Chapel at which Dean Comstock was the speaker.

New York

Fee \$5.00 Meetings: annual meeting and special meetings as called.

The first year of the Club House has proved beyond a doubt a financial success and has greatly increased the membership and general Smith interest in the club, and its value in the community. 72 regular tenants and 1,038 transients have used the club bedrooms during the year. Two general club meetings were held in the House, one in November for discussion of the Limitation of Arms and one in February at which Dean Comstock spoke informally about the college. The annual luncheon held in the Pennsylvania Hotel on March 11 was attended by about 40 alumnae. The speakers were President Neilson, Miss Bertha Condé 95, and Miss Eleanor Milne 22. A series of evening and tea dances was held in the Club House and there were daily teas during the winter months for club members, with different classes as hostesses. For the Fund pledged the dance at the Plaza Hotel on March 23 netted \$1,554.38 and a basket ball game with a Vassar

umnae team held in the Seventh Regiment Armory on April 15, had an attendance of 2,200, per cent of which were on the Smith side. Our team, though defeated, brought \$711.40 for the Fund. Class parties and sales of various kinds to make money for the Fund were held at the Club House and elsewhere and through them \$2,930.59 was contributed toward our Fund pledge. An advisory committee was appointed to discuss the possibility of employment service for alumnae through the club and a modest beginning of an appointment bureau was made in the executive secretary's office. A bulletin of club news and notes was issued four times during the year.

Northern California

Fee \$0.50 Meetings: every other month.

The club has held two meetings this year: one in December when the moving pictures of Commencement sent out by the Alumnae Association were shown, and one, a well-attended luncheon and rally in April. We report all bills paid and a balance in the treasury. Next year we hope for better showing in record of service to the college and more frequent meetings.

The Oranges

Fee \$0.50.

The club is just four months old and should be proud indeed to have an annual report. Its first accomplishment was to have a councillor at the February meeting of the Alumnae Council. This was followed by Miss Farrand's interesting report on the 27th of that month. In March, through Mrs Anderson's efforts, the club adopted its constitution, which has been called a "document to be proud of." At this time it was decided to have Miss Bennett's radio concert, which Mrs Karlson kindly took charge of, and to raise \$100 to send as a contribution in June to the Alumnae Fund. To accomplish this, Mrs Black entertained a card party in April, and many have attributed to the success of a rummage sale. All the time we have been growing and to-day have members though there has been no organized drive for membership. Surely we have "strengthened our relations to the college" by active alumnae service and by familiarizing ourselves with its aims, and have also promoted acquaintance among our members.

Philadelphia

Fee \$2.00 Meetings: annual and at least three others at call of executive committee.

During the year the club held five meetings. Three of the five were luncheon meetings and attendance at these averaged about 55 members. The speakers have been mostly club members, with the exception of President Neilson who was the guest of honor at the spring luncheon held at the Belgravia Hotel. Among the club members who spoke at our meetings was Mrs Oswald Hew, a member of the delegation of overseas women, who told of her trip to Washington to attend burial of the unknown soldier. At the March meeting the council representatives, Mrs Kirkrick and Miss MacAlister, gave most interesting accounts of the meeting at Northampton. The work of the year has centered on fulfilling the \$1,000 pledge to the Fund. In November, Thornton Burgess gave an illustrated lecture for children at the Forrest Theatre. At this performance \$461.62 was raised toward our pledge. A dance was held May 6 at the Acorn Club to make up the deficit and \$354.90 was cleared. As the club had a balance from last year on hand the pledge was secured and a neat sum set aside toward next year's pledge.

Philippine Islands

Fee \$1.00 Meetings: annual in September, others at call of executive committee.

Pittsburgh

Fee \$1.00 Meetings: annual as stipulated, others about every two months at call of executive committee.

The condition and activities of the club during the year have been those of perfect "normalcy": little work, a little play, and no pressing financial worries. The little work has consisted chiefly in keeping up our end in the rally round the local college club and response to the various and dry pleas to aid worthy causes that come to us in the course of every year. Our play-time has been in each and every meeting. These meetings have varied little in form, for we never have a program, but have had the greatest variety of setting, ranging from out-of-door picnics in the country and garden parties on the lawns of "kind members," to private receptions of other "kind members" and joint-hostess parties at the College Club. We have this year also carried the jointness idea into private homes, three or four girls receiving at one house, because we feel that such sharing of the honors and responsibilities enables all our members to have an active share in social life of the club independent of any conditions under which they may be living. The freedom from financial worry is due to the fact that we last year raised this year's Fund quota. Any discussions this year boil down decidedly to this: that the essential in money-raising these years is to "get there first"; therefore let the fall meeting be held the third week in September and first benefit not later than the third week in October. Our annual party was this year a luncheon at the ever-convenient College Club, held during the Easter recess so as to have with us the undergraduates. We only regretted that we did not at that time have with us a faculty member

—they are so very sparse in this region at Easter time that we wish the college would evolve some system whereby members of the faculty might at this time of year be “on the road” or otherwise available in transit to poor but deserving Smith clubs.

Portland, Oregon

Fee \$1.00 Meets first Monday in October, February, and May.

The club as yet is very small and although the members number 20, only 10 of those are active. The three meetings were held regularly, but no activity has been undertaken on account of the limited enrollment. The club hoped to take advantage of Miss Bennett's concert, but after all plans had been made it was found that Portland can hear nothing east of Denver, due to conditions in the northwest.

Rhode Island

Fee \$1.00 Meetings: annual in April, others at call of executive committee.

The club held three meetings during the year. At the first meeting the officers for the coming year were elected and a talk was given on the United League of Women Voters. The second meeting was a business meeting and Miss Esther Greene told of her experiences in the Near East. At the third meeting plans were discussed for a College Carnival and for the choice of candidate for alumnae trustee. The College Carnival was an innovation by the combined Smith, Wellesley and Vassar Clubs of Rhode Island for the purpose of raising money. It was a great success, each club netting about \$1,200. In addition to the club meeting, there was a club luncheon in March announcing the results of the carnival.

Rochester

Fee \$1.00 Meetings: monthly.

Rockford

Fee \$1.00 Meetings: annual as stipulated, others at call of executive committee.

St Louis

Fee \$1.00 Meetings: annual in May.

St Paul

Fee \$1.00 Meetings: first Saturday each month from September through May and Christmas luncheon.

The club has held seven regular meetings in the form of monthly luncheons. Most of our energy has been exerted toward raising money for our scholarship fund with which we are going to send Miss Edith Geer, a St Paul girl, to Smith. We gave two performances of Tony Sarg's Marionettes, cleared \$635.50 and voted to use \$350 for our undergraduate scholarship, \$100 for a graduate fellowship, and put the remaining amount into the bank toward a “sinking fund.” As Miss Geer does not enter college until September 1923, we are now sending \$200 to the college to us “just as it pleases.” We were the guests of the Minneapolis club at a delightful Christmas luncheon with President Neilson as the guest of honor. President Neilson was also our guest at a reception and a dinner in St Paul. In April we gathered at the home of one of our members to hear radio concert, which proved to be a novel entertainment. As this is the first year of our existence, separated from the Minneapolis club, we have great hopes for the future and with all our sisters expect to be a club with a reason for being.

Salem

Fee \$1.00 Meetings: annual as stipulated, at least three others at call of executive committee.

Every effort of the club during the past year has been to raise money for its pledge to the Fund. Two informal meetings have been held at the home of the president, at which plans were discussed. A large bridge party in January, a lecture by Thornton Burgess during the Christmas holidays, and a rummage sale in the spring, by the concerted energy of the club, have made fair good returns. One of the members has earned \$100 by selling sweaters for Smith, and another still adding to the \$100 already earned from her old-fashioned garden, by selling roots, bulbs, cuttings, and flowers. Another member will hold a whist and garden party at her home in June. The annual meeting in May was preceded by a luncheon, at which Miss Benedict was the speaker.

Salt Lake City

Fee \$0.50 Meets informally at call of officers.

The club has each year a luncheon for the girls now in college before they go back in September. Since the \$4,000,000 Fund was started we have also got together once each year and given a rummage sale for the benefit of the Fund, besides having meetings to plan for it. This spring we joined with the alumnae of Wellesley and Vassar here and gave a bridge tea which was a success. Our club is so small (only 10 members) that we have a very informal organization. We elect officers when the spirit moves and they serve as long as they will.

Southeastern Massachusetts

Fee \$1.00 Meets at least four times a year at call of executive committee.

The fall meeting of the club was held at the home of our president, Mrs Beaman. Marian Vincent 12 told us about her work as foreign secretary for the Y. W. C. A. in the Near East. Our winter meeting was in Fall River at Marion Thompson's home and our councillor, Helen (Winward) Brown 08, gave her report. Edith Walker 96 gave a most interesting talk about her adventures while "Tramping on Cape Cod." Our annual luncheon was held at the New Bedford Country Club with Miss Suzan R. Benedict, dean of the senior class, as guest of honor. Miss Benedict spoke to us of college affairs.

Southern California

Fee \$1.00 Meetings: usually three times a year.

The main activities of the club for the year have been centered around the raising of our quota for the Fund. The Tony Sarg Marionettes performances, given twice on January 5 in the high school auditorium, were most entertaining and very successful from a financial standpoint as there was cleared at this time practically \$1,200 for the Fund. Through the efforts of the Los Angeles members the goodly sum of \$1,126 was raised on March 18 by presenting the moving picture, "The Wizard of Oz." Two rummage sales, planned and managed by Mrs Charles Booth, netted early \$700. Out of a \$72,000 quota only \$1,303 remains yet to be raised. The three meetings of the year have been most interesting and fairly well attended. Informal reports and talks about college by recent graduates and visitors to Northampton have kept us in close touch with Smith.

Springfield

Fee \$1.00 Meetings: four times a year.

The year has been a most successful one for the club. There have been seven meetings during the season, four of which combined business with pleasure, at which the Entertainment Committee proved its efficiency. The activities of the season began with a card party at the Country Club, which brought in \$232. Christmas week we gave a most successful dance at the Auditorium, and from this our profits were \$801.40. A rummage sale brought in \$94.74, and the Potter Knitting sales, which are still going on, have added about \$152 to our funds. The attractive embossed writing paper which our committee is selling is proving a great money-getter, and in a few months we have made \$177 on this. The sale of writing paper opens up a great future for the accomplishment of our quota. The last effort of the season's activities was a card party in a private house, in May. Various members of the club sold bridge scores and playing cards, along with candy, and about \$219 was cleared at this affair. There are 100 members in our club. We are working hard to complete our quota, and if our fund grows as our enthusiasm and effort do, then our quota is assured.

Syracuse

Fee \$1.00 Meetings: after regular monthly luncheon at the Y. W. C. A. Cafeteria, the first Saturday in the month, October to June inclusive.

The club has exerted all of its energies toward raising money for the Fund and for the annual scholarship which we provide. A rummage sale in October brought \$195, not so much as we hoped for because the city has started a permanent rummage shop. Easter Monday is now looked upon as the club's own. It is the date of our annual dance to which everyone flocks. In spite of the lowered price of the tickets to fit the needs of the times we cleared \$212 on this. We have completed a \$1,500 payment on our \$2,000 pledge to the Fund and have given a scholarship which this year included tuition and room. Taking advantage of President Neilson's being in Syracuse we invited the alumnae of Central New York for a luncheon in his honor at the Bellevue Country Club. He brought us most interesting news of college and activities in Northampton. The only other purely social event in our calendar was a luncheon given this spring by the Syracuse University alumnae in honor of Miss Florence Jackson to which the Smith Club was invited. There was an unusually large number of Syracuse undergraduates at Smith now and of this we are especially proud.

Tacoma

Fee \$1.00 Meetings: every month.

In February of this year, the 14 Tacoma members of the Western Washington Smith Club decided that it was best to withdraw from that branch and to form a club of their own. This was done solely because Tacoma members had found it impossible to attend meetings in Seattle more than once or twice a year. We have not, however, severed all relations with the Seattle ranch. For a number of years it has been the custom to have a luncheon in April and a picnic later in the summer, in Tacoma and Seattle alternately. This arrangement is to be continued, so that we shall still have the pleasure of meeting together twice a year. This year, the luncheon, which was given in Seattle, was attended by about 10 of the Tacoma members. The annual picnic

was held in Tacoma in June, at the home of Margaret Long. Our club is not yet fully organized. We have no constitution, no councillor, no regularly appointed executive committee. We have delightfully informal meetings once a month, when we discuss the past, present, and future Smith. We are just a little family group without any special aim or purpose, except a desire to help our college in every way possible.

Toledo

Fee \$1.00 Meetings: monthly, at luncheon.

Utica

Fee \$1.00 Meetings: third Thursday in each month.

Vermont

Fee \$0.50 Meetings: annual as stipulated.

The club held its annual meeting on May 20, at Hartford. 22 members were present. The business meeting, consisting of reports and the election of officers, was followed by a most interesting talk by Dean Comstock, our guest for the meeting, telling of all the varied college activities. The Smith alumnae from nearby New Hampshire towns were invited to be present. The club has 57 members.

Washington (D. C.)

Fee \$1.00 Meets usually three times a year.

Four regular meetings were held during the year, the first being at the home of Mrs Frances Savage, December 12. After tea Mrs Frances Parkinson Keyes, authoress, introduced Miss Nellie Scanlon of New Zealand, who spoke to us about her country. Both Mrs Keyes and Miss Scanlon were attending the Armament Conference here, the latter coming from New Zealand for the purpose of covering the conference for the New Zealand Free Lance. At our second meeting held at the College Women's Club on January 25, a group of hostesses served tea. We were agreeably surprised by an un hoped-for visit from Dean Comstock, who addressed us briefly on the subject of the American Association of University Women and its international aspirations. As we were shown pictures of Commencement that afternoon also, we felt in very close touch with the college. The club was invited by the A. A. U. W. to attend a tea at its old home where about 50 of us learned about the plans for the new quarters then being put in order. Mrs Gregg Birdsall, our president, entertained the club delightfully when we were called together April 1 at the Washington Club to hear Miss Edith Goode, our councillor, report on her visit to Northampton. At this meeting a letter from the American Women's Hospitals Association, asking for financial aid for Dr Lucy Elliott 06 in her work in Russia, was read and Miss Goode offered to contribute an amount equal to her expenses to Northampton, if the club would give an equal amount. A card party was suggested as a means of raising this money and Mrs Karl Fenning (Hazel O'Neil 11) was appointed chairman of a committee which arranged for a successful party given on May 16. Over \$100 profit made it possible to meet Miss Goode's proposal. Our annual meeting was an extremely pleasant affair, held at the U. S. Naval Observatory May 9, Mrs Dugald MacDougall (Charlotte Stone 93) being our hostess. The observatory was inspected and later, after having had supper on the beautiful lawns overlooking the National Capitol, we had a "sing." We have about 65 paid members.

Western Washington

Fee \$1.00 Meets third Saturday of each month.

The club has had nine regular meetings during the past year. The Tacoma members this spring voted to start a separate branch, so that we meet together only for the annual luncheon and the annual picnic. One meeting was a formal evening party, and another a musicale, with guests invited, when the compositions of one of our own members were sung. During the Thanksgiving vacation the moving picture, "Alice in Wonderland," was given on two successive mornings at one of the down-town picture houses under the auspices of the club. The money made went toward our Fund pledge.

Winchester

Fee \$1.00 Meetings: annual as stipulated, others at call of executive committee.

The club held its first meeting October 20, at the home of the president, Mrs Abbott. Mrs Hutchinson, president of the Boston Smith Association, spoke of their plans for the year. The councillor reported on the council meeting, and then a vote was passed to raise \$350 yearly toward a scholarship fund, beginning in 1922, and each member pledged herself to give \$5 during the year toward that sum. The next meeting was held December 15, at the Winchester Country Club and was succeeded by an intercollegiate tea given by the club, at which Miss Frances Warner spoke. The third meeting was held March 9, at the home of Mrs Proctor. Miss Putnam reported on the council meeting and the entertainment committee outlined its plans for the rest of the year. Besides the regular meetings the members gave a tea, a card party, and a food sale. The annual meeting was held May 20, at the Winchester Country Club.

Wisconsin

Fee \$1.00 General meetings twice a year.

The first meeting of the year was an informal one held at the home of the president, Miss Alice Wright, who served a delightful tea to the members. Mrs K. D. Pierson also entertained the club at a tea during the fall to complete plans for presenting the "Alice in Wonderland" film. His film was presented early in December and the proceeds devoted to the club's Fund pledge. The second tea for the club, as delightful as the first, was given by Miss Wright, and the annual Christmas luncheon was held at the College Club on January 4, at which President Neilson was present and gave a most interesting and entertaining report of the college. The annual meeting was held at a luncheon in Madison May 20, and while the activities of the club have been very limited, and the meetings infrequent, it is felt that both the interest and membership are growing in a very gratifying way.

Worcester

Fee \$1.00 Meets four times a year.

With this meeting the club completes the 28th year of its existence. It has been a very successful and interesting season. At the annual meeting of the year 1920-21, Miss Suzan Benedict, dean of the junior class, was our guest of honor and speaker. At this meeting also the officers for the coming year were elected. The first regular meeting of the club was held on November 16 at the home of Miss Pauline Cole. The speaker at this meeting was Mrs Kendall Emerson. The Christmas meeting at which undergraduates were the guests of honor, was at Miss Olive Tolman's. Captain Roland Andrews entertained us with a talk on newspaper aims and work. Miss Alberta Smith entertained the club on April 22. The program for the afternoon was a movie of Commencement and the Sophomore Carnival, followed by an Alumnae Council report by Mrs F. Harold Daniels, our councillor. The luncheon on May 26 completes the last regular meeting of the year.
